10 Deconsolidation of Agalawatte Plantations PLC

In July 2016, the Group acquired 60.80% stake in Agalawatte Plantations PLC (APL) with a long term view and considered it as an investment in Subsidiary of the Group. Accordingly, Agalawatte Plantations PLC was consolidated and unaudited financial statements for the quarters ended 30th September 2016 and 31st December 2016 was presented.

By a letter dated 28th September 2016, The Sri Lanka Accounting and Auditing Standards Monitoring Board (SLAASMB), issued a direction to the Board of Directors of APL to re-audit the published financial statements of the company for the year ended 31st December 2014. Consequent to the re-audit, which was finalized in March 2017, it was revealed that the liabilities of APL were significantly higher than what was in the publicly available financial statements at the time of acquisition. The management evaluated the significance of such risk that poses on the Group and consequently the management changed its intention on the investment in APL and divested the Investment in March 2017

Subsequent to the re-audit, the auditor of APL has issued a disclaimed audit opinion on the re-audited financial statements for the financial year ended 2014 and as at the date in which the financial statements of the Group is authorised for issue by the directors, no audited financial statements of APL for Financial years 2015 and 2016 are available. Since it was impracticable to obtain reliable financial information after making every reasonable effort to do so and considering the significant limitations and uncertainty described above, the management is of the view that consolidation of the results of APL may not represent a true and fair view of the financial statements. Consequently, in order to present the substance of the transaction and its effect, the management concluded that the investment in APL be not treated as an investment in subsidiary from the date of acquisition for the purpose of preparing Group financial statements for the year ended 31st March 2017.

The details of the investment in APL, disposal and resultant loss on disposal recognized in the Group financial statements is stated below.
